Each author must read and sign the following statements.

RETAINED RIGHTS: Except for copyright, other proprietary rights related to the Work shall be retained by the authors. Notwithstanding the transfer of copyright, the Publisher will make the Work available under a Creative Commons Attribution–NonCommercial–ShareAlike 4.0 International License (CC BY-NC-SA 4.0). Any reuse of the Work that complies with the terms of this license does not require additional permission from the Publisher.
ORIGINALITY: Each author warrants that the submission to the Work is original. Neither this work has been already published nor shall be submitted for publication elsewhere while under consideration for the publication by this journal.
AUTHORSHIP RESPONSIBILITY: Each author certifies that he or she has participated sufficiently in the preparation of the present work to take public responsibility for it. Each author has reviewed the final version of the work, believes it is a valid work, and approves it for publication. Moreover, they should produce data upon which the work is based if requested by the Editors of the journal.
DISCLAIMER: Each author warrants that this work contains no libelous or unlawful statements and does not infringe on the rights of others. If excerpts (text, figures, tables, or illustrations) from copyrighted works are included, a written release will be secured by the authors prior to submission, and credit to the original publication will be properly acknowledged. Each author warrants that he or she has obtained, prior to submission, written releases from patients whose names or photographs are submitted as part of the work.

TRANSFER OF COPYRIGHT
AUTHORS' OWN WORK: In consideration of the publication of the Work, the authors hereby transfer, assign, and convey to Verduci Editore all copyright ownership in the Work, worldwide, in all languages, and in all forms of media now known or hereafter developed. Following the transfer of copyright**,** the Publisher agrees to release the Version of Record of the Work under a Creative Commons Attribution-NonCommercial-NoDerivatives 4.0 International License (CC BY-NC-ND 4.0). If Verduci Editore decides for any reason not to publish an author's submission to the Work, Verduci Editore shall give prompt notice of its decision to the corresponding author; this agreement shall terminate, and neither the author nor Verduci Editore shall be under any further liability or obligation. The authors grant Verduci Editore the rights to use their names and biographical data (including professional affiliation and contact details) in the Work and in its or the publication's promotion.
FINANCIAL DISCLOSURE: Each author certifies that he or she has no commercial associations that might pose a conflict of interest in connection with the submitted article, except as disclosed on a separate attachment. All funding sources supporting the work and all institutional or corporate affiliations of the authors are acknowledged in a footnote in the work.
INSTITUTIONAL REVIEW BOARD/ANIMAL CARE COMMITTEE APPROVAL: Each author certifies that his or her institution has approved the protocol for any investigation involving humans or animals and that all experimentation was conducted in conformity with ethical and humane principles of research.
